

**MIFID II product governance / professional investors and ECPs only target market** – Solely for the purposes of the **Manufacturers’** (as defined below) product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the Manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the Manufacturers’ target market assessment) and determining appropriate distribution channels.

The net proceeds of the issue will be held in a separate portfolio pending disbursement to eligible projects.

Payment of principal of and interest on the Notes is made solely on the credit standing of NIB as a single institution and is not directly linked to the performance of environmental lending projects.
